

Activation procedure for FLEX HW & SW on the MMS HelpDesk

STEP 1: Fill out all the fields required for the registration ON

https://mms.magicmotorsport.com/sign_up

The screenshot shows the registration form on the MMS HelpDesk website. At the top, there is a red circular logo with a white 'M'. Below the logo, a progress bar indicates five steps: 1. Account (highlighted), 2. Nazione, 3. Dettagli, 4. Finanze, and 5. Conferma. The main heading is "Inserisci i dati del tuo account di seguito". There are four input fields: "Nome", "Email", "Password", and "Conferma Password". Below the fields is a "CONTINUE >" button. At the bottom, there are language selection buttons for CN, EN, IT (selected), PL, and ES. The footer contains the copyright notice "© 2020 MAGICMOTORSPORT".

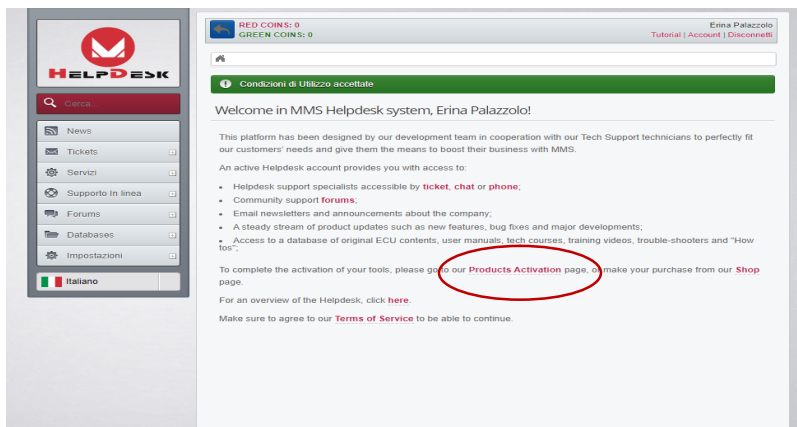

STEP 2: Confirm your email address through the link you have received

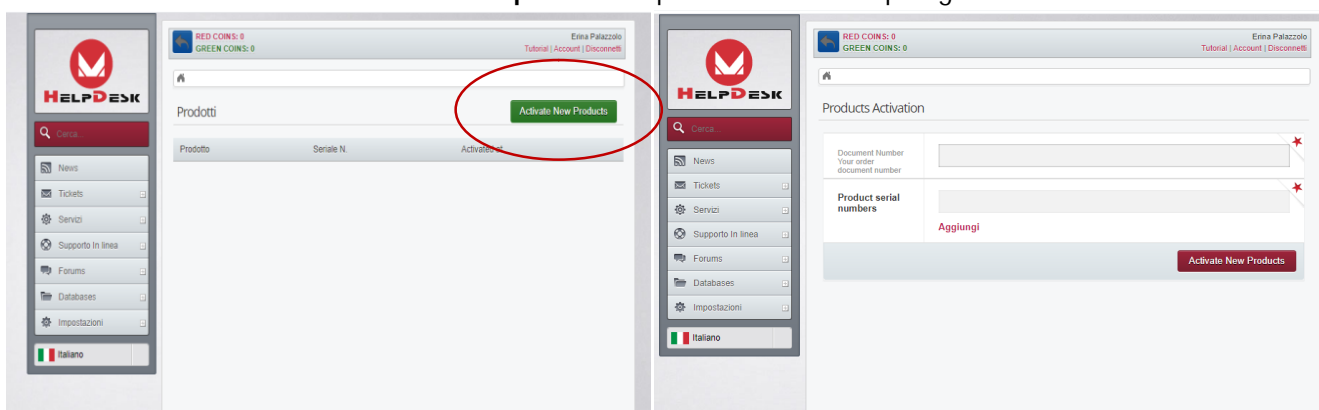

STEP 3: Accept or decline the GDPR Privacy policy Read and accept the terms and conditions

The screenshot shows the GDPR Privacy policy and Terms & Conditions page on the MMS HelpDesk website. The page is divided into two columns. The left column contains the "Please, accept GDPR Privacy Policy to proceed" section, which includes a warning icon and the text: "In order to provide you our services, including Technical Support, updates info and documents, we need to access and manage some of your details, which include personal data." Below this, there is a link to the Privacy Rules and a list of disclaimers. The right column contains the "Condiçioni di Utilizzo" section, which includes a warning icon and the text: "Per favore, accetta le Condiçioni di Utilizzo per proseguire". Below this, there is a list of disclaimers and a "Salva" button. The footer contains the copyright notice "© 2020 MAGICMOTORSPORT".

STEP 4: Proceed with the activation of your tools by clicking on the link for **Products activation**

STEP 5: Click on the **Activate new products** panel on the top-right side of the screen

STEP 6: Type in each field the serial numbers of the interfaces and the software licence

- FLX1.1
- FLX1.9
- FLS0.XXM/S

ATTENTION! You have a maximum of 3 attempts for each serial number.

STEP 7: Click on your account settings and select Tools go to Upgrade and start the software download.
